Seekonk Save A Pet Online Auction Set for April 1st!

Save A Pet Society, Inc. will hold their 33rd Annual Auction in April to benefit the Seekonk Animal Shelter. We are ready to move forward with our **ONLINE AUCTION ONLY**, which begins April 1st and runs through April 24th. Due to events being cancelled because of Coronavirus, our **live event scheduled for April 24th has been cancelled**.

An Online Auction is an ideal way to practice social distancing, have a little fun and support a great cause while our community is going through this difficult time. All donated items that would have been featured in our silent auction will be included in the Online Auction. We will keep you posted on where and when items can be picked up locally, as the information becomes available.

As always, funds raised from the online auction will help the shelter with the cost of veterinary services, heartworm treatment, leukemia test, micro chipping, rabies and other vaccinations. All animals adopted are spayed or neutered. Funds raised also assist with keeping our shelter guests healthy, warm and safe until their adoption into a loving, forever home.

Thank you to our Event Sponsors: Herb Chambers Honda of Seekonk and Bank Rhode Island. And thanks to our VIP Sponsors, which include Ramada Banquet & Conference Center, Champion Motorsports, Minuteman Press and Rockland Trust. Please be sure to support our local sponsors!

We are disappointed that the **live event has been cancelled**, but our Online Auction was very successful last year, so please check it out! Details and updates will be made on www.seekonksaveapet.org and Facebook at "Seekonk Save A Pet Society" or "Friends of Seekonk Animal Shelter".

Thanks to our supportive community and all of our donors and sponsors, we are excited to say the New Seekonk Animal Shelter is scheduled to open in April 2020!
